Failure to maintain proper depth, failure to install all materials delivered, the use of substitute materials, or change in impact attenuation characteristics due to sand or other foreign materials tracked into the system are not covered by this limited warranty.

Disclaimer

MY TURN PLAYSYSTEMS shall not in any case be liable for special, incidental, consequential, indirect or other similar damages arising from breach of warranty, breach of contract, negligence or any other legal theory even if MY TURN PLAYSYSTEMS has been advised of the possibility of such damages.

MY TURN PLAYSYSTEMS does not warrant improper drainage. All sprinklers must be redirected to spray outside of the play area. It may be necessary to periodically turn FLEX FIBER to allow excessive moisture to evaporate out and dry the recreation surface.
